

Our Generous Supporters in 2016

In this special issue of our newsletter, we are publishing the names of all the people and organizations who have supported TAT during 2016. Some people have donated anonymously and many through collections, so we may not know their names, but we are deeply grateful for all of you. Donations are given with the aim to share the Word of God among the people of Estonia, which is proclaimed to be one of the most secular nations in the world. We are doing our best to multiply the value of your support with strong commitment to our God-given mission.

We hope you will also be our partner in 2017 and thereafter. If you were not able to give last year we invite you to pray about a gift in 2017. Your gifts and prayers are what makes it possible for us to accomplish the job God has put before us. We need your partnership and support.

On the next page of the newsletter is a quick summary of the 2016 budget and our budget for this fiscal year.

These words from 2 Thessalonians 2:13 say where you are in our hearts: „But we ought always to thank God for you, brothers and sisters loved by the Lord.“

God bless you all!
