

Our Supporters in 2015

In this special issue of our newsletter, we are publishing in alphabetical order the names of all the people and organizations who have supported TAT during 2015. Some people have donated anonymously and many through collections, so we may not know their names, but we are deeply grateful for all of you. Donations are given with the aim to share the word of God among the people of Estonia, which is proclaimed to be one of the most secular nations in the world. Your generosity is noticed by God and his mercy is the biggest reward for all of our good deeds.

God bless you all!

CURRENT FINANCIAL SITUATION

The end of 2015 was very encouraging, and with help of our supporters, we were able to balance our budget. We met most of our financial commitments, and as we postponed several activities into 2016, we ended 2015 with only \$6,097 USD deficit. The [TAT Matching Program](#) was very helpful, and we hope it will have even more positive impact for our fiscal year of 2016. Please consider becoming a part of this program with us!

Thank you, as always, for your kind support, encouragement, and faithful prayers. May God reward all of you according to His mercy!

Quick financial report of 2015

Income	\$178,889
Expenses	\$184,986
Balance on Dec. 31, 2015	-\$6,097

The budget for fiscal year 2016 is planned for **\$208,850** which includes deficit and postponed activities from 2015. This would be an amazing testament of faith if we are together able to realize that goal. Our only hope is to trust to God.

Some memories from the very beginning

23 years ago on February 1st of 1993 was festive opening ceremony of TAT's first school year and first students started their first classes.
